Rock 'n Play Sleeper

Ultra-Lite Day & Night Play Yard with Inclined Sleeper

We have been informed that some day care providers might still be using these products.

Infant fatalities have occurred in Rock 'n Play Sleepers, and in other inclined sleep products, after the infants rolled from their back to their stomach or side while unrestrained, or under other circumstances. Day Care Centers and any others in possession of a Rock 'n Play Sleeper or the inclined sleeper accessory included with the Ultra-Lite Day & Night Play Yard should immediately stop using them and visit www.service.mattel.com to obtain more information about the recalls. You can also contact Fisher-Price by phone at 1-866-812-6518 Monday through Friday between the hours of 9 AM and 6 PM Eastern Time.

Sincerely,
