Dietitian Needed for Open Health Facilities General Inspector Position in Nevada

State Health Department seeks qualified applicants for dietitianinspector opening in Las Vegas.

Health facility inspection is an exciting field that enables you to use your expertise as a dietitian to ensure that facilities are complying with federal and state regulations governing dietetics care in health care settings. As a dietitian/general inspector, you are a critical member of the team that ensures public safety and quality of care in Nevada's health facilities.

Job duties include:

- Conducting federal and state inspections and complaint investigations of health facilities
- Evaluating compliance with state and federal statutes and regulations
- Summarizing findings and preparing formal inspection reports
- to providers and the public

Serving as a resource and providing education

- Assisting with special projects when needed, such as regulation development
- Training includes a combination of classroom learning, on-the-job training and self-directed independent study

Enjoy Great Job Benefits

- Medical & Dental Insurance
- Life and disability insurance programs
- State Government Retirement System (in lieu of Social Security) and available tax-sheltered deferred compensation plan
- Eleven paid holidays a year
- Three weeks of annual leave (vacation/paid time off)
- Three weeks of sick leave
- No state income tax

Travel

Inspectors drive to facilities locally and to more distant destinations within Nevada. Occasionally inspectors travel via plane and government vehicles to more distant areas in Nevada or for out-of-state training. Most travel includes day trips where you spend the night at home but are out of the office. There will be some overnight stays when you travel far away from the office to rural areas or you may also be required to travel to Carson City to assist with inspection work.

APPLY NOW

Search Google for "Nevada NEATS," click on the "Jobs" result and search for announcement number 36702 or "health facilities inspector 2."
